

Upfitting your fleet just got easier.

POLICE | FIRE | WORK TRUCK | AMBULANCE

EVIPSM
EMERGENCY VEHICLE
INSTALLATION PROGRAM
BY FEDERAL SIGNAL

Upfitting requires the right fit.

It takes a pro, with proven strength in the business. You know us. We're Federal Signal...the people who make your lights, sirens and signals. Now we'd like you to meet EVIPSM — our Emergency Vehicle Installation Program. We're based on a simple idea. Who better to install your accessories than the people who make them? For police, fire, ambulance and work trucks, we are your one-stop-shop. Need a customized vehicle build with quality parts, exceptional workmanship and an installer that meets your on time delivery needs? Look to EVIPSM from Federal Signal.

Why is Federal Signal launching EVIPSM?

EVIP is the result of customer demand. Nobody knows emergency alert products like we do. With EVIP, you can count on:

- A one-stop-shop for all of your products and services
- Our turnkey solutions are customized to meet or exceed your organization's specific needs
- Benefits of having an on staff local installer with the experience of Emergency Vehicle Technicians (EVT)
- Nearly 15,000 square feet of inside secured Upfitting/Demo space 24/7 at our manufacturing site in University Park, IL
- On-time delivery to meet our customer demands

Federal Signal is your partner. Founded in 1901, we are driving technology to provide safe and reliable emergency warning systems for first responders and work truck operators. We are leading the way in innovative lights and siren solutions.

INSTALLATION PROGRAM**
BY FEDERAL SIGNAL

What can you expect from EVIP?

Our standard services include:

- Exceptional high-quality installations for police, fire, EMS and work trucks
- Pre- and post-delivery vehicle inspections
- Customer collaboration review of first pilot builds
- All completed vehicles follow a detailed quality checklist review before leaving our shop
- Refurbishing and decommissioning services available on older vehicles so they can be retired effectively

"I am very impressed by the work Federal Signal is doing. I have been in charge of police vehicle set-ups for over 30 years, and I am not easily impressed. Every detail was done right. The shop is awesome and they were always in contact with me during the process."

Chief Carl Frey, Grant Park Police

Why is EVIP the best in the business?

Federal Signal has been serving the police and emergency vehicle providers for decades. Here's what makes EVIP your first choice:

- **Our Technicians:** Knowledgeable staff in installation, diagnosing and repairing emergency vehicle mechanical problems - Emergency Vehicle Technician (EVT) Certified.
- **Fast Turnaround:** Our team works with our customers to meet their deadline requests.
- **Warranty:** 3-year installation/labor warranty on all product installs
- **Attention to Detail:** We pride ourselves in always following the Manufacturer's recommendations on installation
- **Pickup and Delivery:** Delivery Services are available to and from customers' site
- **Customized Builds:** Full collaboration on vehicles to match budget requirements with the latest product technologies and installation techniques
- **Global Supplier:** Our relationships allow us to provide the best products at the best price
