24-Volt – QuadraFlare™ LED Lights *It is what's inside that matters.*

By thinking inside the box, Federal Signal has broken the mold of conventional product development. Inside our new QuadraFlare LED warning lights, our engineers have taken Solaris® LED Reflector Technology to a whole new level.

The shape of QuadraFlare may be familiar to you, but the performance of Solaris makes the difference.

Features

- Advanced Solaris Technology in a 24-volt warning light
- Ten (10) high-output Light Emitting Diodes
