## New — Undercover SmartSiren® Controllers

Federal Signal is proud to announce the introduction of the SS200 model series of SmartSirens with compact and easy to use 6-button controllers. There are three new 6-button with slide switch products to choose from.

All models are 58/100/200W (non-programmable)

Model #	Description	2008 List Price (US\$)
SS200	Wail, Yelp, Air Horn, HRT, TAPII, Public Address, 8-10amp relay outputs including a 4 position slide switch	\$ 725.00
SS201-6	All the features of the SS200 and will control 6-head SignalMaster directional lighting	\$ 775.00
SS201-8	All the features of the SS201-6 but controls an 8-head SignalMaster directional light	\$ 775.00

These new controllers are perfect for most emergency vehicle applications and are ideal for saving space within the vehicle cockpit.

The list prices mentioned above are introductory prices and will only be available for a limited time.
