

HighLighter™ LED Now Available with White Light in the Center

Federal Signal is pleased to add two additional color configurations to the popular HighLighter LED product line. These new configurations feature white LEDs in the center of the lightbar and are available in Red/White/Red and Blue/White/Blue. Permanent mount versions include white light cut off.

The sleek design and impressive light output make the HighLighter LED lightbars ideal for a variety of applications including volunteer applications, large apparatus and command vehicles.
