

New options available for the Legend Lightbars

Federal Signal is pleased to announce that LED Alley Lights may now be configured into the Legend® Lightbar. This new option is available immediately and is offered at the same price as our halogen alley light option.

Legend Lightbars with Halogen alley lights may be upgraded to LED by ordering replacement boards. No additional hardware or programming is required.

In addition, Federal Signal has reduced the list price of the LED takedown light option from US\$179.00 to US\$32.75.

How To Order:

Select one of our popular models below. Lightbars may also be configured on-line using the Federal Signal Lightbar configurator at www.fedsig.com/config, or by calling 1-800-264-3578
