

51-inch length of VALOR lightbar now available to order

Federal Signal announces that our VALOR LED lightbars can now be ordered in a 51-inch length in addition to the 44-inch length (shown above) that has been available for several months.

- SpectraLux™ Multicolor LED Technology available in combinations of Amber, Blue, Red or White
- Patented ROC (Reliable Onboard Circuitry™)
- Solaris LED reflector technology for better optical efficiency
- FS Convergence Network for "plug-n-play" installation and programming
- Quick disconnect for easy service removal from vehicle
- Optional LED HotFoot™ mounting for LED alley and takedown lights or Slate™ (ALPR cameras)
- Single-color lighthoods offered in Amber, Blue, Green, Red or White
- Only 2-inches tall (not including mounts)
- Available in 44" and 51" lengths

To order, choose one of the preselect models shown below or utilize Federal Signal's Online Lightbar Configuration to customize your own configuration!
