FEDERAL SIGNAL

Federal Signal is a name that law enforcement officers depend on to outfit their vehicles with the latest in emergency lights and sirens.

Included in the featured lighting products are two revolutionary lighting technologies. The ROC (Reliable Onboard Circuitry) is manufactured to eliminate up to 85% of connection failure points found in a lighting assembly. The high efficiency Solaris LED reflector design creates a bright and intense off-axis light output.

Federal Signal has combined leading LED lighting products with durable sirens and speakers into three easy to order Marine application packages.

> **Premium Package**

- 36" Arjent Lightbar
- PA640
- AS124
- (4) 3600 Lights

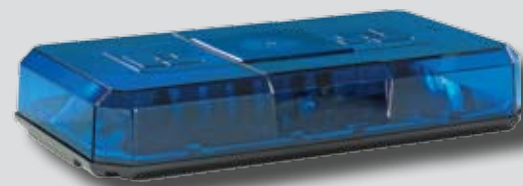

> **Deluxe Package**

- HighLighter LED
- PA640
- AS124
- (4) 3600 lights

> **Value Package**

- HighLighter LED
- PA300
- AS124

Federal Signal Marine Products

HighLighter™ LED

- Engineered with ROC (Reliable Onboard Circuitry™) technology to reduce potential failure points found in a typical lightbar
- Solaris® LED reflector design maximizes warning signals at 360-degrees, eliminating dark spots
- Solid or Split color models
- 'Magnet Select.™' for easy flash pattern selection, up to 24 patterns

Arjent. S2 - 36"

- Innovative elliptical design utilizing ROC (Reliable Onboard Circuitry) and Solaris LED reflector technologies
- RS485 bus connection simplifies installation
- LED lights are available in Blue, Red and White
- Top Dome cover is available in Solid Red, Solid Blue or Split Red/Blue

3600 Lights

- Wide angle lens which focuses light at 90 degrees
- All units include 10 flash patterns that can be synchronized or alternated
- Watertight seal
- Available in Red, Blue, White, Amber, and Green in clear and colored lens

AS124

- 100W Speaker with Class A output
- Extremely durable and weather resistant
- Lightweight
- Field replaceable driver
- Easy Installation

PA640

- 100W Siren with Class A output
- Microphone with built-in noise cancelling function
- Wail, Yelp, Priority or Hi-Lo and Air Horn are all standard
- Includes mounting bracket and hard-wired microphone
