Update: 224
Pages: 2

QuadraFlare Brake/Tail/Turn/Backup Casting Assemblies From Federal Signal Are Now Available.

Federal Signal now offers B/T/T/BU assemblies for our QuadraFlare lights. Designed for quick and easy installation, these assemblies ship complete with QuadraFlare 6X4 lights mounted in the casting and are ready for connection to your vehicle. Simply remove from the box, connect the wires according to directions and mount the unit to the vehicle using only four screws. It's that convenient.

Want to design your own combination of lights? These castings are also available without lights installed for easy customization.

Features of the Quadra Flare Bezels

- Units are available with lights installed or without
- Available in (3) and (4) position vertical or (3) position horizontal style.
- Units are made of sturdy cast aluminum
- Designed for fast, easy installation
- Available with LED turn arrow or with full turn LED lighthouse
- Comply with FMVSS when used with QuadraFlare BTT lights
- Surface Mount / Low profile
