MicroEscape LED Beacons with CLEAR lenses are now suitable for NFPA 1901 applications

When used in conjunction with a Federal Signal NFPA-compliant lightbar, two MicroEscape LED beacons with Clear lenses can be used to complete a NFPA1901 Large Apparatus Upper Level optical warning package.

The following product selections will complete a compliant Upper Level package:
Federal Signal NFPA Lightbar + (2) MicroEscape beacons- Red with Clear lenses

Or

Federal Signal NFPA Lightbar + (1) Amber MicroEscape with Clear lenses + (1) Red MicroEscape with Clear lenses

See the list of models below that are suitable for use in NFPA compliant packages.

Available Models (includes permanent mount bracket)		
Model #	Description (9.0" L x 10.5" W x 4.5" H)	2008 List Price (US\$)
