

AS124

Economy Speaker

FEATURES

- Economical 100 W speaker
- Rugged, lightweight housing
- Field replaceable neodymium driver
- Easy installation
- Heat resistant/flammability classified material. (UL approved)
- Two-year warranty

APPROVALS

- SAE J1849
- CCR Title 13
- Class "A" for sound output
- UL (Class 94HB) approved material flammability rating

Performance and Affordability

The Federal Signal AS124 speaker uses advanced housing material and field-replaceable Neodymium drivers to provide an effective, high-quality sound. The AS124 is an affordable 100 W speaker solution that does not compromise sound output.

Durable Housing

The AS124 speaker housing is molded from composite plastic — 30% glass-filled PET (polyethylene terephthalate). This high-strength composite is a chemical resistance material to maintain rigidity at high temperatures.

High-Powered Sound

The driver component of the AS124 is made of a Neodymium magnetic material. Neodymium is a robust and efficient driver material. The AS124 meets SAE J1849, CCR Title 13, and Class "A" specification requirements for sound output.

Versatile Mounting Options

The AS124 speaker can be mounted on a bumper or installed behind the grille of a variety of police cars. The speaker comes with mounting bolts and a hardware kit, allowing for easy installation under the hood of most police cars and fire trucks. The AS124 driver is field replaceable and can be easily rotated, allowing for either vertical or horizontal mount orientation.

Demonstrates the field replaceable driver.

HOW TO ORDER

| | |
|---------|--|
| 750501 | AS124 100 W low cost speaker with standard mounting bolts and hardware |
| 750501V | AS124 100 W low cost speaker for vertical-mount applications |

OPTIONAL BRACKETS

| | |
|----------------|---|
| 750501-07 | Bracket kit for vertical-mount applications, no grille removal, push-bumpers |
| 750501-08 | Bracket kit, no grille removal, Dodge® Durango® 2015-2022, does not mount with Rumbler® |
| 750501-09 | Bracket kit, no grille removal, Dodge Charger, 2015-2022 |
| ESB-FPIU20NDB | No drill, bracket only - (1) ES100C or (1) AS124, Police Ford® Interceptor® Utility, 2020-2022 |
| ESB2-FPIU20NDB | No drill, dual speaker bracket only - (2) ES100C or (2) AS124, Police Ford Interceptor Utility, 2020-2022 |

SPECIFICATIONS

| | |
|------------------|--|
| POWER | 100 W |
| HOUSING MATERIAL | Composite plastic (30% glass-filled PET) |
| OPERATING TEMP. | -40° to +176° F (-40° to +80°C) |
| INPUT VOLTAGE | 32 Vrms |

PHYSICAL SPECIFICATIONS

| | |
|--------|------------------|
| LENGTH | 7.7 in (19.6 cm) |
| WIDTH | 4.7 in (11.9 cm) |
| HEIGHT | 5.7 in (14.5 cm) |
