

Obsolescence of 760003F Models

Federal Signal will be discontinuing all models in the 760003F series. This change affects the model numbers listed below.

Timing

New orders for 760003F models will no longer be accepted after March 31, 2010. Any new orders received must be for shipment prior to April 30, 2010.

Recommended Alternative

Federal Signal's Viper EXT LED warning lights are the recommended substitute for these models.

Obsolete Models	Substitute Models	Description
