Introducing the new 21" Allegiant™ Mini-Light Bar

The all new Federal Signal 21" Allegiant™ light bar is built for work zone safety. This low-profile dual color mini-light bar features the exclusive bed light option which shines a steady work light down from the light bar onto the bed of the truck for superior visibility. Meeting SAE Class 1 and CAC Title 13 standards, the 21" Allegiant is ideal for a variety of applications including work trucks and fire apparatuses.
