- Vibration resistant construction
- 12/24 Vdc
- Three-year warranty

Built to Stand up to the Most Punishing Conditions

Federal Signal's Commander® 750 or 1200 series work lights are built to go the distance, enduring a Work Truck's toughest conditions. Ideal for tractors, tow and recovery, off-road, and personal vehicles, these work lights are made of heavy-duty powder-coated die-cast aluminum and vibration-resistant construction.

A Versatile and Effective Flood Light Solution

The Commander 750 or 1200 series work lights include a stainless steel hardware kit and U-bracket, allowing the user to adjust the work light horizontally and vertically to put light wherever it is needed. 750 or 1200 series are both available in round and square options.
