

Federal Signal Announces the New IMPAXX® Wing Plow Light

Federal Signal announces the release of the new IMPAXX® Wing Plow Light. Featuring the IMPAXX lighthouse, the new wing plow light has (6) high-powered LEDs providing a superior warning. Fitted in a fully encapsulated cast housing, the wing plow light is suitable for mounting on snow plow wing tips. This new wing plow light is an effective addition to snow plow lighting packages (flasher required for operation).

FEATURES

- Solaris® LED reflector technology
- Superior warning with (6) high-powered LEDs
- Lighthouse is fully encapsulated in a cast aluminum housing
- Suitable for mounting on wing plow tips
- Rugged weather resistant TPR cable with Deutsch connector
- Flasher required for operation as part of a complete DOT lighting package
- SAE Class 1, J595 approved
- Five-year LED warranty
