# Global Series™ Coupling Kits

The accessories below allow single unit Global Series™ “Ex de” models to be coupled to other Global Series “Ex de” models. These kits allow installers in the field to create multi-unit configurations. Note: multi-unit configurations can be ordered pre-assembled according to a customer specification. The benefit of pre-assembled configurations is reduced on-site wiring and installation.

Part Number  
**G-KIT-EC90**

## 90° e-Box to e-Box Endcap Coupling Kit

Kit includes one (1) flanged e-Box coupler endcap, one (1) coupler, one (1) gasket and four (4) mounting bolts
