

Introducing the Allegiant™ Light Bar

Standing a mere 2-inches tall, the Allegiant light bar is a value priced, dual color warning solution packed with technology and options ideal for Police, Fire, and Work Truck applications.

For Work Trucks, the Allegiant features the new bed light option. The bed light, exclusively from Federal Signal, is an option that shines a steady work light down from the light bar onto the bed of the truck for added visibility for operators.

FEATURES

- Low-profile, dual-color, linear light bar
- Solaris® LED reflector technology
- ROC (Reliable Onboard Circuitry™) technology
- SpectraLux™ multi-color LED technology available in combinations of Amber, Blue, Green, Red and White
- (28) built-in flash patterns
- Available in 45", 53", 61" and 70" lengths
- Mounting options include low-profile hook, standard hook, permanent, flat and heavy-duty flat
- Top domes are available in Amber, Blue, Clear, Gray and Red
- Five-year warranty

APPROVALS

- SAE Class 1 (Amber, Blue, Red, White)
