A Versatile and Effective Flood Light Solution

Federal Signal's Commander® 550 series work lights are a cost-effective LED flood light solution that are ideal for tractors, tow and recovery, off-road and personal vehicles. Commander 550 series work lights are available in both round and square options.

Cost-effective Work Light

Commander 550 models are made with polycarbonate housing and lens. Each work light includes a stainless steel hardware kit and u-bracket allowing the user to adjust the work light horizontally and vertically to put the light wherever it is needed. All Commander Series work lights are backed by Federal Signal's three-year warranty.
