

► 4300SS Quad Mounting Box | Accessories

FEATURES

- Top-level Quadraflare® mounting box head
- Constructed with 3/16" stainless steel
- Ideal for weld-on, bolt-on or flat mount kit mounting
- Heavy-duty construction to protect light and meet demands of various environments
- Includes internal steel mounting frame for use with QL43Z lights
- Quadraflare® models are available in single and dual color head versions (sold separately)
- Three-year warranty

Federal Signal offers the 4300SS Quad Mounting Box designed to fit the 4x3 Quadraflare® "Z" models (lights sold separately). It is constructed with 3/16-inch stainless steel in order to meet the demands of various work environments.

The 4300SS serves as an effective warning light solution for top level lighting on heavy duty vehicles. It is ideal for weld-on, bolt-on or flat mount kit mounting and includes an internal steel mounting frame for use with the QL43Z lights.
