High-Performance Amber and White Lights for Work Trucks

The Federal Signal 8200S truck perimeter light offers users a powerful warning light solution with diverse capabilities. The 8200S comes equipped with (8) LEDs and can be purchased in Amber, White, or split coloring and boasts (12) unique flashing patterns, ensuring that operators will be able to customize their truck's perimeter lights to best serve their industry and work setting requirements. Their exterior is also customizable; bezels are available in Black, Chrome, and White.

Both the Amber and White truck lights are SAE J595 Class 1 certified and meet the requirements of CCR Title 13, making them an excellent solution for safety and regulatory compliance on tow trucks, utility trucks, as well as many other types of work trucks.

Potential Vehicle Applications:

- Tow Trucks
- Construction Vehicles
- Utility Maintenance Vehicles
- Garbage Trucks/Waste Removal Vehicles
- Boom Lifts
- Flatbed Trucks
- Snowplows
- Truck Cranes
