Update: 444 | 5/7/12

Addition of Blue/White Models to MicroPulse Family

Federal Signal is proud to now offer the MicroPulse light in Blue/White. These split-color models can be programmed to operate as a single unit or in synchronization with multiple MicroPulse lightheads. Nineteen built-in flash patterns enable multiple vehicle perimeter lights to be either synchronized in the same pattern or in alternating sequence.

Features

- > Multiple mounting options for various applications
- > Superior warning with 6 high power LEDs
- > Super slim design to offer wider range of mounting areas
- > Single/multi-unit synchronization
- > Three year LED warranty

Available to order now:

Model #	Description	List Price (US)
