

▶ PAR46 Unity® | LED Spotlight

FEATURES

- Quick and easy replacement of Unity® halogen lamps.
- Bright White LEDs.
- Tightly controlled spot beam.
- LEDs provide up to 50,000 hours of lamp life.
- Five-year warranty.

For effective area illumination, Federal Signal offers the PAR46 Unity® LED Spot Light. The high-power LED spotlight utilizes Unity's projector beam optics delivering a tightly controlled light beam. The precise light output is ideal for traffic stops or illuminating any area.

Long-Life, Energy Efficient

The lamp has a sealed, hard coated polycarbonate lens to protect against the elements. When operating, this powerful light is energy efficient drawing only 2.3-amps. The LEDs provide longer lamp life than typical halogen models with up to 50,000 hours of illumination.

Installation is quick and easy.

The compact, standard size of the PAR46 can quickly replace older halogen lamp models. The PAR46 LED Spot Light can be used in any Unity 6-inch spotlight housing that utilizes a screw terminal design.

Specify model

380400-W 6-inch, PAR 46 LED Spot Lamp, Unity
