

Introducing the Latitude™ Series SignalMaster™ Models.

*8-head Latitude SignalMaster model
(6-head model also available)*

Built with Federal Signal
exclusive technologies:

Federal Signal introduces the Latitude™ Series SignalMaster™ directional warning light models. The Latitude SignalMaster features Federal Signal's Solaris® LED reflector technology for superior light intensity.

The Latitude SignalMaster models are available in 6- and 8-head versions. These models come equipped with the Federal Signal economy SignalMaster control that allows users to easily install and operate built-in warning signals of left, right and center-out.

Features

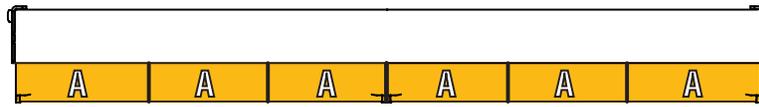

- Solaris® LED reflectors for the highest optical efficiency
- ROC (Reliable Onboard Circuitry™) reduces potential failure points found in a typical lighting system
- Available in 6-head or 8-head models
- Three LEDs per position
- Both interior and exterior mounting brackets are available; compatible with Federal Signal's SignalMaster brackets
- Innovative co-extrusion, polycarbonate housing provides moisture resistance
- Each model includes left, right and center-out warning signals
- SAE J845 Class 1, CAC Title13 Class B
- Five-year LED warranty
