

## Additional models of Latitude flashing lights are now available.

Federal Signal has added three new flashing models to the Latitude product line. All three models are "Half-Blue / Half-Red" with the Blue LEDs on the left-side and the Red LEDs on the right-side of the housing as you are looking at the assembly.

### NEW Latitude Models Now Available To Order

Model #	Description	2014 List Price US\$
SL4F-BR	Latitude, flashing 4-head model, B-B-R-R	\$ 320.00
SL6F-BR	Latitude, flashing 6-head model, B-B-B-R-R-R	\$ 460.00
SL8F-BR	Latitude, flashing 8-head model, B-B-B-B-R-R-R-R	\$ 520.00

The new models complement the existing SL4F-RB, SL6F-RB, and SL8F-RB models that are the reverse color configuration, i.e. "Half-Red / Half-Blue" with Red LEDs on Left-side and Blue LEDs on right-side.
