

### **Federal Signal Announces New Manufacturer's Representative for Southeast U.S. Territory**

**University Park, Ill, March 24, 2016** – Federal Signal Corporation's Safety and Security Systems Group (SSG), a world leader in alerting and notification solutions for indoor and outdoor warning systems, is pleased to announce the appointment of Capitol Electronics as the new Manufacturer's Representative of SSG's Alerting and Notification systems for the states of Georgia, Florida, Tennessee, Mississippi, and northern Alabama. Capitol has provided sales representation of Federal Signal's products in the Midwest Territory since 2002, and has a reputation for outstanding customer service. Capitol will be building a new sales force in the Southeast U.S. market place to provide both sales and service support.

"We believe Capitol's representation of our products in the Southeastern states will strengthen our customer relationships and best serve our customers," stated Joseph Brady, Federal Signal Integrated Systems Division, Business Development Director, East Coast. "Together, Federal Signal and our Regional Sales Representatives offer the highest level of customer service in the industry."
