## New! Videos and Global Series Product Information

Now available on YouTube and Fedsig.com

[How to configure a Radiant Stack Light](#)

[Global Series® LED Flash Patterns](#)

[StreamLine® Model SLM1400/1450 Light Effects and Flash Patterns](#)

[Fireball® LED Flash Patterns](#)

These riveting short films are sure to work as great sales tools. These videos are located on our [YouTube Channel](#) and on each website product page.

### Global Series Configurations

The Global Series Dual Model (G-MSC-2) is back by popular demand! An updated datasheet and web product page are now available. Additionally, we have updated the Global Series Configuration datasheet to include a new “How to Order” section and additional dimensional drawings.

For the latest revisions, visit each product page:
