

## Product Update: Global Series® G-LED

You asked, we answered...model G-LED is now available with a **HIGH-PROFILE** lens!

Model G-LED is one of six products in our Global Series® modular product line that can be used as a stand-alone signal or be combined to create a custom solution.

G-LED features a long-life LED (50,000 hours), eight flash patterns, and now offers two different lens types: low-profile (175 cd) or high-profile (140cd).

The new high-profile lens is an ideal solution for applications that require additional side visibility.
