

REVERSE CAMERA/MONITOR SYSTEMS UPGRADE

NOW AVAILABLE IN AHD TO SUPPORT A HIGHER RESOLUTION

Federal Signal is pleased to announce the upgrade of our Reverse Camera/Monitor Systems to AHD. The Cameras now support 720P, and the Monitors now support 720P and 1080P.

With this upgrade, the previous versions of the Reverse Camera/Monitor Systems will not work with the new AHD version. However, the cables can still be used with both versions.

UPGRADED MODELS
