## OPTIONS FOR 2013-2019 FORD® POLICE INTERCEPTOR® UTILITY AND 2015-2020 CHEVROLET® TAHOE® TO BE DISCONTINUED

In our continuous efforts to better streamline our ILS product offerings, Federal Signal is announcing the discontinuation of all ILS options for the 2013-2019 Ford® Police Interceptor® Utility and 2015-2020 Chevrolet® Tahoe®. This includes all Split-Front, Rear Hatch, Advanced Off-Axis, and Passenger Side only models for these two vehicle models. The online configurator will be updated to reflect this change.

Going forward, customers who continue to need ILS options for the 2013-2019 Ford Police Interceptor Utility and 2015-2020 Chevrolet Tahoe can configure a universal ILS on our [online configurator](#).

Customers can continue to order ILS options as usual for the current 2020-2023 Ford Police Interceptor Utility and 2021-2023 Chevrolet Tahoe.

### TIMING

ILS options for the 2013-2019 Ford® Police Interceptor® Utility are no longer available. Orders for the 2015-2020 Chevrolet® Tahoe® have a last-time buy date of April 28, 2023, with orders shipping no later than May 31, 2023.
