

# ALLEGIANT® SERIAL

## OPTIONAL 60' HIGHLY FLEXIBLE CAT5 CABLE NOW AVAILABLE

Federal Signal is pleased to announce the release of our new 60-foot highly flexible CAT5 cable as an additional option for the 53-inch and 61-inch Allegiant® Serial light bars. This optional cable can be configured with a light bar or ordered separately. The extended 60-foot CAT5 cable is made of TPE (thermoplastic elastomer) material to offer flexibility during installation.
