Timing

New orders for the discontinued models will no longer be accepted after February 29th, 2012. Any new orders received must be for shipment prior to March 31, 2012.

Recommended Substitute

Federal Signal's Solaris ILS interior warning lights are a potential alternative to the Viper S2 product line and can be configured on our online configurator with green and white options.

For more information, please contact your local Federal Signal sales representative, visit our website at www.fedsig.com or contact us at 1-800-682-8022.
