

Select versions of "old-style" V-shaped lightbars to be discontinued

Federal Signal is discontinuing several versions of older-style V-shaped lightbars.

This announcement affects the following model numbers:

All 44-inch Vision/Smart Vector models

525100 525110 525120 525200 525210

All 48-inch Vision/Smart Vector models

525410 525420 525500 525510

All 60-inch Vision/Smart Vector models

525910 525920

Timing

New orders for the discontinued models will no longer be accepted after March 31, 2012. Any new orders received must be for shipment prior to April 30, 2012.

Exception

A limited number of pre-select V-shaped models will continue to be available in order to meet the requirements of various end-user contracts.

Recommended Substitute

Federal Signal's Vision SLR lightbar is the recommended substitute for the discontinued models. Visit www.fedsig.com to configure your own Vision SLR lightbar.

For more information, please contact your local Federal Signal sales representative, visit our website at www.fedsig.com or contact us at 1-800-682-8022.
