

Obsolescence of MOD1, MOD1F, and MOD1X MODLED series Perimeter Lights

Federal Signal is discontinuing the remaining MODLED product family member MOD1, MOD1F, and MOD1X series of perimeter lights. A selection of service parts for the MODLED family, including replacement LED modules and bezels, will still be available to accommodate the current user base.

Models being Discontinued

Part Number	Description
MOD1-A	Single-module unit, MODLED, Amber LED perimeter light
MOD1-B	Single-module unit, MODLED, Blue LED perimeter light
MOD1-G	Single-module unit, MODLED, Green LED perimeter light
MOD1-R	Single-module unit, MODLED, Red LED perimeter light
MOD1F-A	Single-module unit, MODLED, Amber LED perimeter light, surface mount
MOD1F-B	Single-module unit, MODLED, Blue LED perimeter light, surface mount
MOD1F-G	Single-module unit, MODLED, Green LED perimeter light, surface mount
MOD1F-R	Single-module unit, MODLED, Red LED perimeter light, surface mount
MOD1X-A	Single-module unit, MODLED, Amber LED perimeter light, recessed mount
MOD1X-B	Single-module unit, MODLED, Blue LED perimeter light, recessed mount
MOD1X-G	Single-module unit, MODLED, Green LED perimeter light, recessed mount
MOD1X-R	Single-module unit, MODLED, Red LED perimeter light, recessed mount

Timing

Existing orders will be honored, and no new orders for the following parts will be accepted after May 31st, 2012.

Recommended Substitute

Federal Signal's extensive line of QuadraFlare perimeter lights, incorporating patented Solaris reflector technology and state-of-the-art, high-power LEDs (with many sizes available) provides a compelling option for most vehicular perimeter warning light applications. See <http://www.fedsig.com/products/299quadraflare> for more information.
