

Federal Signal discontinues ILSFR style of Solaris ILS models

Federal Signal will be discontinuing the **ILSFR** style of our Solaris ILS product line. The ILSFR models are models designed for the Upper Rear Headliner mounting location on a Ford Crown Victoria.

This change does not affect our other more popular models of Solaris ILS or SpectraLux ILS.

Timing:

New orders for the ILSFR models will no longer be accepted after October 31, 2013.

Any new orders received must be for shipment prior to November 30, 2013.

For more information, visit our website at www.fedsig.com or contact Customer Care at 800-682-8022.
