

Federal Signal Releases New Side Marker Mount for the Ford Interceptor Sedan

Federal Signal announces the release of a new MicroPulse® side marker mount for the Ford Interceptor Sedan. The kit includes brackets for mounting (2) light heads in the side marker position on the passenger and driver side of the vehicle. The bracket can be used with MicroPulse 600, MicroPulse 600U, or MicroPulse Wide Angle lights.

Shown with the MicroPulse 600, sold separately.
