

Federal Signal is pleased to introduce its new integrated center high mount stop light (CHMSL) with a built in camera for the Sprinter® Van

This light has been designed with a highly resistant polycarbonate lens. The CAMCCD-CHMSL has 18 high intensity LEDs in order to provide superior illumination while meeting FMVSS specifications.

The CAMCCD-CHMSL is more than a light. It has a built in back-up camera. It permits the driver to have the needed view of the back of the vehicle with the 120 degree camera lens. This CHMSL will work with all the Reverse Camera systems that Federal Signal offers.

Features:

- Integrated brake light with camera
- IP68 Rated
- Meets FMVSS Specifications
- 18 high intensity LEDs
- Two year limited warranty
- For the 2014 and 2015 Sprinter Van
