

Federal Signal Releases MicroPulse™ Flashing/Marker Light

Federal Signal announces the release of the new addition to our MicroPulse™ family of LED warning lights. The MicroPulse Flashing/Marker light is a split model with (6) LEDs, (3) steady burn for a marker light and (3) flashing for warning.

FEATURES

- Superior warning with high-powered LEDs
- Low-profile for discreet mounting
- FVMSS marker light and warning light in one solution
- Three-year LED warranty
- SAE J845, Class 2 approved (warning side)
