Federal Signal announces the New Amber/White HighLighter™ LED Mini-Lightbar

Federal Signal announces the new Amber/White HighLighter LED mini-lightbar. The housing and the mounting footprint of the Amber/White HighLighter LED will be the same as the current HighLighter LED and all HighLighter brackets are compatible with the new models. The new Amber/White HighLighter LED model is available for order in permanent mount and suction-cup magnet mount options.

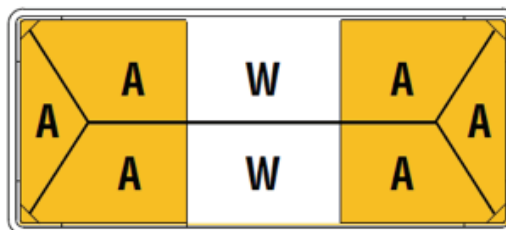

FEATURES

- Low profile; only 2.7" tall
- 360-degree light distribution
- Amber/White LEDs, Clear dome
- Solaris® LED reflector technology
- ROC (Reliable Onboard Circuitry™) technology
- Pattern selection using MagnetSelect™ (magnet not included)
- 5-year LED warranty
