

Changes to Federal Signal's Limited Warranty Policy

Federal Signal's Public Safety Systems division has made changes to its Limited Warranty Policy.

Following are some of the key changes:

1. Standard coverage changed from "3/1" to "3/3"

- Previously the standard warranty coverage for most products was "3-years on parts replacement and 1-year on factory labor". Effective 7/1/16, the standard coverage for most products is now 3-years for both parts replacement and factory labor coverage.

2. Coverage changed on certain LED product lines from "5/1" to "5/5"

- Coverage for many LED product lines was previously "5-years on parts replacement and 1-year on factory labor". Effective 7/1/16, the standard coverage for these LED product lines is now 5-years for both parts replacement and factory labor coverage. See the coverage table in the formal text of the new Limited Warranty policy for the specific LED product lines affected.

3. Warranty period for SmartSiren Platinum model SSP3000B has been increased from 3-years to 5-years

- Effective with new orders placed as of 7/1/2016, the model SSP3000B SmartSiren Platinum 3000 will carry a 5-year warranty coverage. The SSP2000B versions of the Platinum siren remains covered by the standard 3-year warranty.

The changes are effective on new orders placed as of July 1, 2016.

Federal Signal - Public Safety Systems
LIMITED WARRANTY TERMS AND CONDITIONS

Federal Signal Corporation, Public Safety Systems Division ("Federal Signal"), subject to the terms, conditions and exceptions contained herein, warrants each NEW product to be free from defects in material and workmanship, under normal use and service only, for a period of three (3) years [two (2) years for speakers] from the date of manufacture stamped on the product for replacement of parts and for a period of three (3) years [one (1) year for speakers] on factory labor from the date of delivery to the original user or purchaser of the product. Other exceptions to the foregoing Limited Warranty are contained on the Schedule of Products on the reverse side of this document.

SPECIFIC EXCLUSIONS AND EXCEPTIONS

This Limited Warranty does NOT apply nor is it extended to products that are not manufactured by Federal Signal. These products are covered by a separate limited warranty provided by the particular manufacturer and all claims and questions regarding the same are to be directed to the particular manufacturer. Domes, lenses, lamps and batteries installed on Federal Signal products are specifically excluded. Replacement of service boards and circuit boards under this warranty does NOT extend the initial term of the limited warranty. This limited warranty applies ONLY to the initial or first installation of the product on any vehicle, if applicable, and the removal of and/or remounting of the product to another vehicle during the initial term of this limited warranty shall void the same. This limited warranty shall not apply to products that have been subjected to neglect, abuse, misuse, improper installation, inadequate maintenance, damage due to improper use of cleaning or cleaning materials or chemicals, or service, repair or modification by or from any facility other than an authorized Federal Signal service center or technician.

During the aforesaid warranty period, Federal Signal will, at its sole option, repair or replace the product or particular parts that are found to be defective in either material or workmanship, and which is returned or delivered to Federal Signal, transport or shipping prepaid, to either Federal Signal or its designated and authorized warranty service center.

No person or affiliated company representative is authorized to alter the terms of this warranty, to give any other warranties, to extend the term or duration of this warranty, or to assume any other liability on behalf of Federal Signal in connection with the sale, servicing or repair of any product manufactured by the Federal Signal.

Federal Signal reserves the right to make design changes and improvements in its products without imposing any obligation upon itself to change or improve previously manufactured products.

The use in the product of any part other than parts approved by Federal Signal may invalidate this warranty. Federal Signal reserves the right to determine, in its sole discretion, if the use of non-approved parts invalidates this warranty.

THIS WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, WITHOUT LIMITATION, WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND FAILURE OF ITS ESSENTIAL PURPOSE.

UNDER NO CIRCUMSTANCES WILL FEDERAL SIGNAL BE LIABLE OR RESPONSIBLE FOR SPECIAL, COMPENSATORY, INCIDENTAL, CONSEQUENTIAL OR PUNITIVE DAMAGES, AS WELL AS LOST PROFITS, LOST SALES, LOSS OF USE OR LOSS OF BUSINESS OPPORTUNITY BY OR THROUGH THE USE OF THE PRODUCT. FEDERAL SIGNAL'S SOLE AND MAXIMUM LIABILITY WITH RESPECT TO THE PRODUCT, OTHER THAN ITS OBLIGATIONS SET FORTH ABOVE, SHALL BE THE TOTAL PURCHASE PRICE PAID FOR THE PRODUCT.
