

## Federal Signal releases the new MicroPulse™ 652 Dual Color Light head

Federal Signal announces the expansion of its MicroPulse™ product line with the release of the MicroPulse Dual Color Hood and Grille Light head. The MicroPulse dual color light heads have the ability to flash in two modes. The two modes allow users to choose from a single color or the dual color. Each mode of operation has 18 flash patterns where users can select the desired pattern. The MicroPulse Dual Color light head has the ability to synchronize or alternate with other light heads of the MicroPulse series product line.

All MicroPulse Dual Color Grille and Hood mount light heads can be mounted using the three different methods (adhesive mount, screw mount and bracket mount). The necessary mounting components are provided with each light head.

### FEATURES

- Ability to mount on the grille or hood of vehicles
- Two modes of operation
- Three different mounting options
- 18 Selectable Flash patterns in each mode
- Synchronizes or Alternates with all MicroPulse Products
- Meets the following standards: SAE J595 Class 1, SAEJ845 Class 1, CA Title Class B in Amber, Blue and Red
- Three year warranty
