

## Federal Signal to Discontinue 416400/416410 Corner LEDs

In our continuing efforts to stream-line our product offering, Federal Signal is discontinuing the 416400/416410 Corner LEDs. 416900/416910 Corner LED models are the suggested alternative.

Models Being Discontinued	Recommended Substitute Model	Description of Recommended Substitute
416400-BW	416900-BW	Dual color corner LED light head with in-line flasher, Blue/White
416400-RB	416900-RB	Dual color corner LED light head with in-line flasher, Red/Blue
416400-RW	416900-RW	Dual color corner LED light head with in-line flasher, Red/White
416410-A	416910-A	Single color corner LED light head with in-line flasher, Amber
416410-B	416910-B	Single color corner LED light head with in-line flasher, Blue
416410-R	416910-R	Single color corner LED light head with in-line flasher, Red
416410-W	416910-W	Single color corner LED light head with in-line flasher, White

### TIMING

New orders for the discontinued models listed above will no longer be accepted after December 31, 2017.

### SUGGESTED ALTERNATIVES

#### 416900/416910 Corner LED features:

- 416910 models are single color and have 12 LEDs; 416900 models are dual color and have 6 LEDs of each color (12 LEDs total)
- Internal and external mounting applications
- Each model includes light head, in-line flasher cable, black mounting bezel and gasket, gasket for headlight/taillight mounting, and mounting screws
- 19 flash patterns including "Random" and "Steady"
- Optional bezels in White and Chrome, sold separately
- Five-year warranty
