## New DynaMax/ES100C Speaker Housing Kit for the 2015-2018 Ford Transit

Federal Signal's new ES100C bumper mount housing for the 2015-2018 Ford Transit offers an improved fit and function compared to the current housing. The new driver and passenger side kits were designed to fit the specific contour of the Transit front bumper and will meet the CA Title 13 sound output spec.
