Federal Signal JetSolaris® light bar series to be discontinued

To streamline our product line, the complete JetSolaris® light bar series is being discontinued. This includes all lengths, 21", 48", 54", 60", and 72" stocked and configured models of the JetSolaris. Recommended suitable light bar replacements are listed below.

SUGGESTED ALTERNATIVES

Navigator® light bar series:

- High-profile, linear light bar
- Traditional cable or FS Convergence Network™ serial light bar
- Available in 10", 18", 25", 45", 53", 60", 73" and 87" lengths
- Two color capability with LED colors in Amber, Blue, Green, Red, and White

Allegiant™ light bar Series:

- Low-profile, linear light bar
- Traditional cable or FS Convergence Network™ serial light bar
- Available in 45", 53", 60", and 70" lengths
- Two color capability with LED colors in Amber, Blue, Green, Red, and White

TIMING

New orders for the JetSolaris light bar will no longer be accepted after 3/31/19.
