Federal Signal to obsolete Legend® HotFoot™ option

In our continuing efforts to stream-line our product offering and improve efficiencies, Federal Signal is discontinuing the HotFoot option currently available when ordering or configuring a Legend light bar.

This change only affects the HotFoot option for the Legend product line. HotFoot options remain available in our other light bar product families.

RECOMMENDED SUBSTITUTE

The HotFoot option is available for Federal Signal's Vision® SLR, Valor®, and Integrity® product lines.

TIMING

New orders for Legend light bars with HotFoot option will no longer be accepted after November 29, 2019. All orders must be for shipment prior to December 20, 2019.
