SUGGESTED ALTERNATIVE

416900/416910 Corner LED

- Single color (12 LEDs) and Dual color (12 LEDs, 6 of each color) models available
- Suitable for internal and external mounting applications
- (19) flash patterns including "Random" and "Steady"
- Two programming modes
- Units can synchronize or alternate
- Each model includes light head, in-line flasher cable, black mounting bezel and gasket, gasket for headlight/taillight mounting, and mounting screws
- Optional bezels in White and Chrome, sold separately
- Five-year LED Warranty

TIMING

Effective immediately, the discontinued models listed above will only be available "while supplies last".
