

## New Lights and Accessories Guides are Now Available for the Dodge Durango and Ford F-150 Responder

Federal Signal releases new Lights and Accessories Guides for the 2019 Dodge Durango and 2018-2019 Ford F-150 Responder. Each vehicle brochure features close-up photos of Federal Signal's light bars, interior mount warning lights, exterior mount warning lights, and directional lighting installed on the vehicle as well as a reference guide listing bracket model numbers and descriptions on the back cover.

The Lights and Accessories Guides are available on Federal Signal's website and can be ordered today through our on-line media site.
