

PA300R models 690014 and 690015 to be discontinued

Federal Signal announces that our PA300R remote-head siren models will be discontinued.

Model #	Description
690014	PA300R siren with 2 remote mounted control heads
690015	PA300R siren with 1 remote mounted control head
690014-25	690014 model with 25 ft cable

SUBSTITUTES

Federal Signal’s model 690010 PA300 siren is a potential substitute for the discontinued PA300R models.

- Full-featured siren in compact package
- Easy-to-operate and durable switching
- Built-in noise canceling microphone
- Illuminated non-glare control panel
- 100- or 200-watt models available
- External PA Gain control
- Effective TAP II intersection clearing
- Priority in place of hi-lo tone available
- Meets SAE/Class A with one 100-watt speaker
- 12- or 24-Volt versions available
