

New Features Added to the Pathfinder® Configuration Software

Version 2.2.0.0 of the Pathfinder® Configuration Software is available today to download. The following new features have been added to the software:

New Software Version Notification

- Users will be alerted when they log into the software if there is a new version available to download. User will see an image of a bell and by clicking on the bell user can choose to download the new updated version or dismiss.

Hardware View

- Gives the user the ability to select controller option and add Convergence Network products that are used with the Pathfinder. The program will then only display options/selections relevant to the install.

Program and Lock

- Gives the user the ability to password protect a Pathfinder configuration.

Relay/Speaker Diagnostics

- Gives the user the ability to quickly locate and troubleshoot issues by verifying if speakers and relays are working. Also shows current Amp draw of each relay.

Configuration Report

- “Cheat Sheet” that can be printed or saved as a PDF that shows everything the Pathfinder configuration can do. Note section also available to add additional information that will save on the Configuration Report.

View Device Information

- Displays username and computer name of the last person to touch a configuration.

New Control Heads

- 4/6/9 button controllers added.

New Vehicle OBD Information

- 2020 Model Year: Police Interceptor Utility (Database updated, added steering wheel buttons).
- 2019 Model Year: Acadia, Challenger, Equinox, Expedition, F-150, Grand Cherokee, Impala, Mustang, Ranger, Silverado, Suburban, and Tahoe.

Voice Messages:

- Select from twenty-five standard voice messages available in English, Spanish, and French Canadian to broadcast alerts. Custom voice messages are also available for an additional fee. Standard voice messages in all three languages include:
 - No parking, stopping, or standing. Please move your car or you will be ticketed or towed
 - Please remain in your vehicle
 - Please pull to the right and stop
 - Please yield to the right
 - Please pull to the right of the white line and stop
