## New Angled Bezel for MicroPulse® Ultra 12 Series

*Light head sold separately*

New Angled Bezel for the MicroPulse® Ultra 12 Series is now available to order. The Angled Bezel was specifically designed to provide downward projected light at a 40-degree angle, illuminating the ground around emergency and utility vehicles. The MicroPulse® Ultra 12 Series Angled Bezel is available in a Chrome or Black finish.
