

## 8200S SignalMaster™ & 8200S SignalMaster™ Arrow are now Available

Federal Signal announces exciting changes by adding the 8200S SignalMaster™ and SignalMaster Arrow to our directional warning light product line. Our latest SignalMaster provides advanced warning and directional signals for traffic approaching from the rear of a stationary vehicle. When a directional signal is selected, the lamps are individually illuminated in a sequential sweeping motion until all lamps are illuminated.

All 8200S SignalMaster feature an Aluminum housing with a rail design compatible with our seven standard mounting brackets. The 8200S SignalMaster models are available in a traditional stick style as well as an arrow with selectable 15 or 30 ft extension cable and an optional 8-button controller.

### FEATURES

- Arrow style lights available in 16-head and 10-head versions
- Traditional stick style lights available in 8-head and 6-head versions
- 18-in whip with weather-tight connector standard on all units. 15-ft and 30-ft extensions cables available
- 7 – 14 selectable flash patterns
- Aluminum housing with rail design compatible with seven mounting brackets
- 3-year warranty
- Optional 8-button controller available
- 12 Vdc Nominal

### APPROVALS

- SAE J595, Class 1
- CCR Title 13
