

## New Dual Color MicroPulse® C Series Models are Now Available

Federal Signal's MicroPulse® C Series is now available in dual color combinations. The low-profile, slim-line shape easily mounts on grilles, rub rails, or other vertical surfaces. The dual color C Series features (8) LEDs and can be programmed to operate as a single unit or in synchronization with multiple MicroPulse light heads.

Select dual color C Series models are also available in Steady Burn models for use with the Pathfinder® Siren. The combination of Steady Burn models and the Pathfinder Siren allow the Pathfinder to control lights around the vehicle by utilizing flash patterns in the siren, syncing/alternating light heads, and dimming light heads.

### FEATURES

- Low-profile, slim-line design
